Proceedings: [IN CHAMBERS] ORDER RE SUBSTITUTION OF ATTORNEY

Attorney Gary G. Kreep ("Kreep") seeks to withdraw from this case. The Court has previously found deficiencies in Kreep's "Motion to Withdraw as Attorney of Record for Plaintiff" (Dkt. No. 586) and the first related Request for Approval of Substitution of Attorney (Dkt. No. 588).

On February 7, 2013, Counsel for Plaintiffs submitted another Request for Approval of Substitution of Attorney ("Request"). (Dkt. No. 598.) This document also contains deficiencies, particularly counsel signing for the parties.

Although these continuing deficiencies are most troubling, the Court recognizes that Kreep's duties as a recently-elected judge prevent him from practicing law. Thus, the Court GRANTS the Request. But, given the deficiencies of the Request, the Court will reconsider this Order if any of Kreep's clients object within 30 days of learning of this Order. Counsel should consider giving notice of this Order to such parties to initiate the stated time period.
